Policies Regarding Educational and Individual Exhibits

1. All entries need to have been grown, prepared or made since September 2021.
2. To compete in **Youth Exhibits** a person must be enrolled in school (K-12). Any person who has graduated from high school must compete in **Adult Exhibits**.
3. Judges will be instructed to disqualify articles entered under the wrong class or of poor quality. The decision of the judges will be final.
4. Entries cannot be removed until the designated time unless approved by fair officials or premiums will be forfeited.
5. Exhibitors decide which department/category to place entries.
6. A single entry will not be accepted to compete in more than one individual class. Except when, in example, a “Best of Show” and/or “Best of Fair” award is offered, all individual entries in the corresponding division/class are judged and require no additional registration during the entry in-take process.
7. An exhibitor cannot make more than one entry in each class.
8. All entries must be delivered to the fairgrounds. No charge for transportation or freight will be paid.
9. Fair officials reserve the right to refuse the entry of any unworthy exhibit.
10. Reasonable space will be allowed to all exhibitors up to the capacity of the exhibit space. Fair officials reserve the right to refuse additional entries.
11. Fair officials will withhold premiums in any case where it appears that fraud or deception has been attempted or where rules have not been observed.
12. The management will not be responsible for loss, injury, theft or damage by fire, lightning, wind, etc. to any article.
13. Special rules, stated by departments, have priority over general policies.
14. All entries will be judged on a merit basis within each department and class and premiums will be awarded as shown in each department.

Two premium places will be paid per class (unless otherwise specified)

FOOD CONSERVATION

General Rules:

1. Use standard canning jars only, none smaller than ½ pint. Exhibits will not be judged when not in standard canning jar.
2. Fruits and tomatoes should be processed in boiling water bath or pressure canner. Low acid food or foods mixed with low and high acid ingredients must be processed in steam pressure canner. Please indicate on label for fair entry, if supplemental acidification product was added to the canned food item being entered.
3. Canning guidelines from the following book resources are recommended:
 - a. USDA's Complete Guide to Home Cooking
 - b. Ball Blue Book (edition years 2013, or earlier, only)
 - c. So Easy to Preserve
 - d. Other sources must be approved by the Directors

Online resource for canning guidelines are:

- a. NCSU Food Safety portal (foodsafety.ces.ncsu.edu/home-food-preservation/)
- b. National Center for Home Food Preservation (nchfp.uga.edu)

4. All entries must be labeled as to

- **CONTENT**
- **PROCESSING METHOD**
- **PROCESSING TIME**

Label should be taped to back of jar at bottom.

5. Jellies, pickles and relishes **will not** be opened.
6. Do not use paraffin.
7. “Any Other” categories are only for items not listed in preceding categories and not for duplications.
8. See listing for judging information.
